

# There Are Times When Bigger Is Better. Like Now At SAM'S Club.

**Re-Opens  
Tuesday,  
10/11**

## The Chattanooga SAM'S Club Has Moved To A New And Bigger Location.

SAM'S Club is a big place, full of the merchandise you use most every day. But as big as it was in Chattanooga we decided that we could serve you better, if we were even bigger. So we built a new SAM'S Club. Now you can find more than ever at your SAM'S Club. And it's close to where you're used to going: just down the street, on the other side of the freeway.

## 25,000 More Square Feet For You To Explore.

Come in Tuesday and see what we've added: a whole new fresh bakery, a fresh meat section, a snack bar and more. Aisles are wider, lighting is better, the whole club is more member-friendly.

## Visit Your Bigger Is Better SAM'S Club.

Come join us Tuesday, when we re-open. You'll find more of the merchandise and the friendly service you count on at SAM'S Club. If you're not a member, bring this One-Day Trial Membership Card and find out how much better SAM'S Club can be on the things you use most, for business and home.

\*Judy takes care of purchasing for a service station. She goes to SAM'S Club for milk and frozen candy and snacks. She goes to SAM'S Club for many items she uses at home too, like baby wipes.
